Cynefin iawn a dolur
fu'r lesu yn fy natur,
Gogoniant byth i'w enw Ef
am ddioddef dros bechadur;
yn addfwyn dan yr hoelion,
a dwyfol waed ei galon,
fy mhrynu wnaeth T'wysog nen:
Ac ar Ei ben bo'r goron!

3

Dilynaf yn Ei lwybrau
a chanaf yn fy nagrau,
Mae mwy na ddigon yn yr lawn
i faddau'n llawn fy meiau;
er dued yw fy nghalon
mae lesu'n dal yn ffyddlon,
Eiriolwr yw tu hwn i'r llen,
ac ar Ei ben bo'r goron!

2

He wore my human likeness,
Knows well my grief and sadness,
Eternal praise be to His name
Enduring pain for sinners;
His gentle hands were riven,
His heart's Divine blood given,
The Prince of Life thus paid my price -
To Him the crown is given!

3

I'll walk His paths with gladness,
and sing amidst my sadness,
More than enough He has atoned
to bring complete forgiveness;
Where sin my heart still darkens
my Faithful One in heaven
still pleads for me before God's Throne,
To Him the crown is given!
